A modern kitchen interior featuring white cabinetry, a marble countertop, and a central island. Two black pendant lights with wire cages hang from a dark, textured ceiling. A large window in the background shows greenery outside. The floor is made of light-colored wood. An orange diagonal graphic element is in the top-left corner, and another orange diagonal graphic element is in the bottom-right corner.

A modern office interior featuring two large, circular, black-framed ceiling lights with white inner rings. The office has light-colored wooden desks, black ergonomic chairs, and tall grey storage cabinets. Large windows on the right side offer a view of a city street. The scene is brightly lit by natural light from the windows and the overhead lights. Orange geometric shapes are overlaid on the top-left and bottom-right corners of the image.
